

LabStrong Cartridge Recycling Program

Program Information and Return Instructions

LabStrong Cartridge Recycling Program

The LabStrong Cartridge Recycling Program is a free service for LabStrong customers. LabStrong promises to safely and responsibly recycle returned LabStrong cartridges. Any materials that cannot be recycled are disposed of properly. The goal of the program is to minimize landfill waste.

Cartridge Recycling Guidelines

The LabStrong Cartridge Recycling Program is exclusively designed for the one-way return of cartridges used in the treatment of potable feedwater. Certain cartridges may not be returned, including, but not limited to, the following:

- Cartridges used on feedwater sources other than 100% potable water.
- Cartridges for the removal/recovery of heavy metals, hazardous waste, radioactive waste or other specialized processes.
- Cartridges that are not manufactured by LabStrong.

Cartridge Recycling Instructions
